NEW AGE

Technologies and tips
to turn back time

Salon Meritage,
standing strong
five years on

FULL CIRCLE

Rotating thumb ring on the Sam Villa Professional 6" Signature Series Swivel Shear adds ergonomic comfort—snip in any position with elbow down and wrist at a natural, neutral angle. samvilla.com

VINTAGE VIBES

Retro Valera Classic 1955 dryer gets a modern tech upgrade with 1800 watts of power, six airflow and temp settings, a cold-shot button and an ion generator. valera-salonexclusive.com

Inspired by classic barbershops!

MAKE A SPLASH

With no cushion to harbor mold or mildew, water-friendly Bass Shower Brush detangles wet manes, but heat-resistant nylon construction also stands up to thermal styling. bassshowerbrush.com

SMOOTH OPERATOR

Silicone- and ceramic-infused barrel of the Cricket Technique Silk Thermal Brush minimizes breakage while tourmaline and ionic heat-resistant bristles impart static-free sheen. cricketco.com

RAY OF LIGHT

Clinically tested and FDA-cleared, hands-free HairMax LaserBand 41 promotes hair growth in men and women, delivering nourishing light to scalp through 41 medical-grade lasers. hairmax.com

OUT OF THE BLUE

Lightweight Hot Tools Radiant Blue Professional Salon Turbo Ionic Dryer uses direct ion technology, injecting a mass of ions into the airstream and onto the hair to break apart water molecules for faster drying. hottools.com

BUZZ WORD

Vibrating ceramic plates on the Bio Ionic Luxe 10x Pro Styling Iron shuffle and separate strands for faster smoothing and are infused with natural volcanic minerals to deliver micro-hydration. bioionic.com

HANG A LEFT

Crafted from Japanese 440C steel, the Washi Black Dragon Lefty Shear features an offset handle for comfort and anti-push edges for precise cutting. washiscissor.com

TAKE ROOT

The versatile Raincry Professional Natural Bristle Brush combines a durable African rosewood body with boar bristles taken from the stronger root section to minimize snagging and breakage. raincry.com
